Northwest Missouri State Teachers College

VOLUME XI.

MARYVILLE, MISSOURI, MONDAY, DEC. 8, 1924

NO. 10.

## BUDGET MADE FOR COLLEGE

Appropriation of \$778,750 Has Been Asked of the State Legislature for the Next Biennium to Cover Expenses and New Improvements.

The Maryville State Teachers College has asked the State legislature for an appropriation of \$778,750.00 for the next two years, 1925-1926. Of this amount, \$352,750.00 is asked to cover the salaries of the teachers employed in the institution. This amount is determined by multiplying the October 1924 payroll by twenty-four (months) which amounts to \$333,028.00. To this is added the amount of salary paid teachers employed in addition to the regular faculty in the summer term 1923-1924 and in the summer term 1924-1925. To the total given must be added the amount in excess of substitutes' salaries which will be paid the regular faculty members now on leaves of absence from June 1, 1925 to January 1, 1927, or \$3,116.66.

The second item of the appropriation asked for is \$15,000.00 to cover student labor. The student labor appropriation made by the general assembly for 1923-1924 amounted to \$10,000.00. This amount was exhausted in April 1924. At the same rate the amount required for twenty-four months will be \$15,000.00.

The amount asked for rural education and extension was \$20,000.00. This same amount was appropriated by the general assembly for this work for the Southwest Missouri State Teachers College in 1921.

It is the purpose of the college to carry out the development of demonstration teaching in each of the nineteen counties in the district.

The fourth item of the appropriation is \$20,000.00 for the library. The college library greatly needs to be improved to come up to the standard of the other Teachers Colleges. This item for the library is based on the estimates of the American Library Association.

The appropriation asks for \$30,000 for fuel, light and water and \$20,000 for supplies and equipment of all departments. This latter amount will care for the laboratory equipment and supplies for all departments except the library and the department of agriculture.

The amount of \$20,000.00 was asked for repairs and general improvements on buildings and campus. This money is needed to grade and drain the ground for the new athletic field and for general repairs on our present building.

The eighth item under the total appropriation is \$15,000.00 for equipment of the new gymnasium building. This would furnish the seating facilities, office furniture and fixtures, gymnasium equipment and the proper fitting out of our health department.

The next item calls for \$16,000.00 for farm buildings, stock and farm equipment. Under present conditions, the live stock cannot be properly cared for or protected unless a caretaker be hired who could be located conveniently near the barns and poultry houses. This amount of the appropriation would cover the expenses of building and equipping a caretaker's residence, a poultry house and storage house for implements, and cars. It would likewise cover the amount required for fencing, additional live stock, nursery stock, implements, machinery and laboratory.

The tenth and last item of the appropriation is for the alterations and repairs of present buildings and for a new Training School and amounts to \$270,000.00. This item is divided into three parts. The first asks for \$40,000.00 for a new boiler and enlarged power house. The second part asks for \$30,000.00 for the alteration of the main building. The amount will be used in making the old gymnasium into a new library and the former library into classrooms and offices. It likewise covers the expense necessary for exits, fire escapes, a balcony, and correction of the acoustics of the auditorium. The third part of this item provides for the building of a new Training School building at the cost of \$200,000.

An additional amount was asked to cover deficiencies in fuel, light and water.

Dean Barnard spent Thanksgiving Day with Dr. and Mrs. Eikenberry, of Columbia, Mo. She also attended the Missouri-Kansas football game. Dr. Eikenberry is professor of education in the University of Missouri.

## "The Covered Wagon" to Be Seen at S. T. C.

When "The Covered Wagon" crosses the screen for the first time in Maryville, in fact for the first time in Northwest Missouri with the exception of St. Joseph, local patrons will witness one of the most spectacular and sincere pictures the famous players Lasky have ever released. This picture will be shown at the College Auditorium Thursday, Friday and Saturday nights, December 11, 12 and 13. Also at matinee Friday and Saturday.

The story was written by Emerson Hough and published in the Saturday Evening Post. The Lasky Company purchased the picture rights, and one of the paramount group rewrote it for picturization.

In the '70's it took those brave people in their prairie schooner six months to go from West Port Landing, which is now Kansas City, to Portland, Oregon, a distance of 2000 miles, an average of ten miles a day. Recently the U. S. Army aviators flew from Long Island to San Diego, a distance of 2650 miles in twenty-six hours, a remarkable average of one hundred miles an hour.

This picture is a remarkable one and Maryville is fortunate in securing it, however it precedes a list of pictures which will be shown at the auditorium this winter and which are known in every large city. Rudolph Valentino appears in "Monsieur Beaucaire," Thomas Meighan stars in "The Alaskan," Jack Holt takes the lead in Zane Grey's "Wanderers of the Westland," Baby Peggy wins her audience in "Captain January," "Merton of the Movies" and "The Mine With the Iron Door," and the list.

## Students Frolic At Mardi Gras

The Mardi Gras given by the Residence Hall girls Friday, Dec. 5 was a decided social success. The receipts at the door amounted to eighty-five dollars, but there were many expenses and this amount is by no means clear profit. The surplus after all expenses are paid is to go toward furnishing the solarium on the second floor of Residence Hall.

The main show was the popular concert and the follies. There were many sideshows including, The Thrill that Comes Once in a Life Time, Sleeping Beauty, Classic Dancers, The Dormitory Shiek, Bathing Beauties, Fortune Booth and the Eskimo Tragedy. Other concessions were in the form of a novelty stand, a lunch room, A Chinese Garden, an Eskimo Salesman and the beauty parlor.

The dance hall was opened at 8 o'clock and music was furnished by the Residence Hall six piece band. There were a number of dances throughout the evening. The next social event will be the Colonial Party.

Mr. Miller, instructor in physical education, is speaking at the Thanksgiving Wednesday evening at the High School play, "Allegory of the Day." Mr. Miller will be the guest of honor at the Thanksgiving party at the Bap. Tag of the an except the class "ry" and Speech.

At a Seniors v. of Laveta mill Coley Kemp to turned Council later.

Helen represented the class in the December 10th School. This day solved the problem of the school.

Miss Estella Bowman spent the Thanksgiving holiday in Wathena, Kansas visiting her parents and friends.

## ENROLLMENT IS 623, NOW

Dr. Clough, Instructor of Athletics at University of Missouri, Will Be a New Instructor of Men's Athletics at the S. T. C. January 1.

The enrollment for the winter quarter at S. T. C. totalled last Thursday morning 623 students. This does not include the conservatory students. The total number of students enrolled during the winter quarter 1923-24 was 664 students and during the former year 1922-23 was 456 students.

The college is very fortunate in gaining as a new member of the faculty, Dr. Clough, instructor in physical education and athletic trainer of the University of Missouri athletics. Dr. Clough will be in charge of the corrective gymnasium work and will act as trainer of the Bearcat teams. He will come to Maryville January 1.

Dr. Clough, comes not to be supersede the work of Coach Lawrence and Coach Jones, but merely to supplement their work.

The following item concerning Dr. Clough is taken from a Columbia write up. "He has been at the University of Missouri since September, 1923. Here he has been successful, as this year he was trainer of the Missouri Valley championship football team.

"Dr. Clough is widely experienced in his line of work and has held positions at many schools in the United States. He received a degree of A. B. at Dartmouth University, Hanover, New Hampshire, and was awarded a M. D. degree by Maryland College, College Park, Maryland. Dr. Clough also took a post-graduate course for six months in orthopedics, and was the first man recommended by Walter Camp for physical instructor at aviation fields.

"Dr. Clough as professor and physical trainer held positions at Baylor University, Dallas, Texas, University of Nevada, Reno, Nevada. He was physical director at Washington State College, Pullman, Washington, at Portland, Oregon, Athletic Club, at Concordia Club in San Francisco, Cal., and at the Malt Mohab Club, Portland, Oregon.

"Dr. Clough was track coach and trainer at the University of Southern California, Los Angeles, California, when H. P. Drew held the century dash record there.

"This last summer he was physical director at the Civilian Military Training Camp at Fort Leavenworth, Kansas. He is active in the Boy Scout movement and takes an active part in the affairs of the American Legion.

"Dr. Clough played halfback position when he attended Dartmouth University. He was a baseball pitcher at the Pacific Coast League. He is married. He and his wife are in Maryville the first of the winter.

"Dr. Clough is a captain of a Maryville team. He is known as a football player. He is a member of the American Legion.

"Dr. Clough is a member of the American Legion. He is a member of the American Legion. He is a member of the American Legion.

"Dr. Clough is a member of the American Legion. He is a member of the American Legion. He is a member of the American Legion.

"Dr. Clough is a member of the American Legion. He is a member of the American Legion. He is a member of the American Legion.

"Dr. Clough is a member of the American Legion. He is a member of the American Legion. He is a member of the American Legion.

## S. T. C. HAS SEVEN DEBATES IN 1925

College Is Member of Kirksville Debate League and M. I. A. A.

The 1925 debate schedule for the Northwest Missouri State College, as announced by Harry A. Miller, instructor in public speaking at the college and coach of the Maryville debate team, includes a total of seven debates.

The Maryville Teachers College is a member of two debating leagues, the Kirksville Debate League, which was created by a Kirksville Jeweller, who offered a silver loving cup to the winning team in a series of debates between the Teachers Colleges of Missouri. The other is the regular M. I. A. A. League.

In the Kirksville League, Maryville will be involved in four debates this winter and spring. In the M. I. A. A. League the S. T. C. debaters will engage Springfield and Kirksville during the 1925 season.

A challenge from the Peru Normal School, Peru, Nebraska has been accepted by Mr. Miller. The Peru team wish to argue the National question: "Resolved: That by a Two Thirds Vote the United States Congress Should be Able to Pass a Law Over the Veto of the Supreme Court."

Mr. Miller of the public speaking department was well pleased last Friday when six men reported to him in response to his call, for students to try out in oration and extemporaneous speaking.

The elimination contests will be held some time in February to decide who will represent Maryville in the state contests at Springfield next spring.

Four men, Davis Nicholson, Everett Wright, E. C. Rising and Leland Medsker decided Friday to try out in the oratorical contests while only two, Richard Baker and Leslie Holcomb, reported their willingness to try out in extemporaneous speaking.

Last year Fred Kurtz represented Maryville in the state contest held in Maryville and won third place with his oration, "The Quest of Peace."

The general subject for the extemporaneous speakers at the state contest this year will be "The Constitution of the United States while the orations may be given on any subject. The orations will be limited to 2000 words while the time limit of the extemporaneous speeches will be fifteen minutes.

## Duo-Art Presents Concerts Dec. 10

Dr. D. J. Thomas, pianist, Maryville, Mo., and Lillian Sellers, Soprano, will appear in a program at the College Auditorium next Wednesday at 8 o'clock.

Dr. Thomas is one of the two Missourians who have been invited to make records on the Duo-Art Piano for the Aeolian-Vocalion Co. of New York. Rudolph Ganz of St. Louis is the other pianist honored by the Aeolian Company.

The numbers given by Dr. Thomas will be particularly interesting because they will be repeated on the reproducing piano furnished by the Jenkins music company.

Miss Sellers is reputed to have a wonderful soprano voice and a treat is promised to Maryville.

The meeting of the social science club which had been announced for December 11, at the home of T. H. Cook, has been indefinitely postponed on account of conflicting dates with other meetings. It is suggested that members of the club continue to hand data concerning the child labor amendment to Mr. Wells, librarian, in order that the debaters may secure as much material as possible for the child labor debate.

## SCHOOL CALENDAR.

- Dec. 10. Duo-Art Concert at Assembly.
- Dec. 10. Duo-Art Concert 8:00 p. m.
- Dec. 11, 12 and 13. "The Covered Wagon."
- Dec. 14. Sacred Concert by Conservatory Faculty.
- Dec. 18. Annual Christmas Party.
- Dec. 17. Girls Basketball Game S. T. C. Vs. Missouri Wesleyan.
- Dec. 19. Christmas Vacation begins.

## BEARCATS TIE THE BULLDOGS

Four of Team Receive the Honor of Being Named on the Mythical M. I. A. A. Conference Football Eleven.

The Maryville Bearcats and the Kirksville Bulldogs tied for first place for the 1924 M. I. A. A. grid honors, but there was no championship awarded by the Missouri Collegiate Association at their meeting in St. Louis, November 29.

The Bearcats enjoyed a most successful season scoring 101 points to their opponents 14. The scores of the games follow:

Tabor 0; Maryville 25. Cape Girardeau 0; Maryville 16. Springfield 0; Maryville 3. Highland 0; Maryville 41. Kirksville 14; Maryville 0. Warrensburg 0; Maryville 9. Buena Vista 0; Maryville 0. Tarkio 0; Maryville 7.

Four Bearcats were named on McBride's mythical all M. I. A. A. conference football eleven. The men honored were Hugh Graham, guard; Jarvis Bush, center; Vodge Willoughby, quarterback; Oren Masters, halfback.

The annual football banquet in charge of the Chamber of Commerce of Maryville will be given tonight for the Bearcats and the local High School Spoofhounds. Both teams are to elect their captains for next year at the dinner this evening.

The Bearcat football schedule of conference games for next year, 1925, will begin with a game on the Maryville gridiron with Kirksville, October 16. Cape Girardeau will be played there October 22; Warrensburg, there November 6 and Springfield here, November 13.

The Bearcat squad will lose only three men by graduation; Hugh Graham, all M. I. A. A. guard and four letter man; Webster Young, end, also a four letter man; and John Ashcroft, quarterback.

The spirit of co-operation and sportsmanship has prevailed throughout the whole season. Twenty-eight men were on the squad at the close of the season and the number would have been 30 had not the untimely illness of Cleo Wyman, and the accidental injury of Verne Gusewell, kept them from working with the squad.

In spite of the inclement weather Thursday evening the "stag" party given by the Y. M. C. A. at the college was well attended.

At eight o'clock about thirty-five young men gathered in the east gymnasium. For a while they were entertained by clowns, acrobatic stunts, and music, after which everyone joined in playing games and in general merry making. At 9:45 popcorn and apples were served.

All agree with President Sam Evans, that the evening had been well spent and that another such party in the near future would be enjoyed.

Mr. Miller acted as sponsor for the evening.

Dean Barnard, assisted by several of the senior girls, gave an informal afternoon tea in the Recreation Room at the College, Tuesday, December 2, from three until five o'clock.

## Miss Winn's Engagement to M. E. Ford Announced

(Clinton, Mo. Eye)

Mr. and Mrs. John O. Winn, of 215 North Main Street, announce the engagement of their daughter, Beatrice, to Mr. Marshall E. Ford, of Maryville, Mo. The marriage will take place late in December. Miss Winn has made many friends in Clinton during the residence of her parents here. She is in charge of the English department of the State Teachers College at Maryville, Mo., and spent last year in Europe to further pursue her studies. She is the secretary of the Northwest Missouri Press Association. Mr. Ford is one of the leading attorneys of Maryville and was recently elected State Senator from that District.

Mr. Glenn reports that the wandering Lathe motor which was sent to the General Electric Co., of Kansas City several months ago for repairs, has been returned and is ready for work.

Miss Estella Bowman spent the Thanksgiving holiday in Wathena, Kansas visiting her parents and friends.

## Cage Schedule for 1925 Bearcats Made

According to the schedule adopted at a meeting of the athletic directors of the five state Teachers Colleges at the Hotel Marguerite in St. Louis, Saturday, November 29, the Bearcats will start their conference season February 6 and 7 at Cape Girardeau with a two-game series with the Cape Girardeau Indians.

February 13 and 14 a two game series will be played with Kirksville at Maryville. It was in the two games with Kirksville that the Bearcats hit the slump last year. These games will give them a chance to even the score on their home court.

The Springfield team will be engaged on their home court by the Bearcats February 20 and 21 and February 27 and 28 the Bearcats will close the season with a two day battle on the Maryville court.

In addition to these games the Bearcats intend to play about eight non-conference games. Central of Fayette, Tarkio, Concordia, or Principia of St. Louis, McKendrie College and several Kansas City teams are among those considered for non-conference tilts.

Thirty one men reported to Coach Lawrence and Coach Jones, Tuesday for the initial basket ball practice of the season. The new material looks promising for a real team again this year.

Peoples, Aldrich, Capt. Blomfield, Pierpont, Goslee, Craine and Joy, all members of last years Bearcat squad are back again, as is also Culp, Hamilton, Beam, Whitford, Wakeley and Appleby of the Cubs.

## Annual Musical Concert Sunday

The annual Christmas program of the State Teachers College will be held in the College auditorium, Sunday evening, December 14.

The formal program for the event is not yet available, however the first part will consist of miscellaneous chorus selections by the college chorus. In the second part of the program the chorus will render some excerpts from Handel's "Messiah."

Soloists who will appear on the program are:

Mrs. F. P. Robinson, Soprano. Mrs. L. A. Richman, Baritone. Miss Anna Painter, Contralto. Miss Mabel Raines, Contralto.

The Christmas program is one of S. T. C.'s annual events. It is a union service of all the churches represented in the college. Formerly it was rendered at the Wednesday morning assembly before the Christmas vacation but that date was changed to the Sunday evening before vacation to allow the people of Maryville churches to attend.

A large crowd is expected, since at last year's program the college auditorium holding approximately a thousand people was filled to capacity and perhaps as many were turned away from the doors.

Mr. H. T. Phillips, of the education department, has been working for the past two weeks upon the report for the Missouri school survey. This work is being carried on through the efforts of the Missouri State Teachers' Association. Complete investigation of the problem of financing the rural elementary, and high schools of the state has been made. Surveys of Buchanan and Daviess counties were made for the northwest Missouri district. Mr. Phillips in gathering statistics worked with Mr. Dougherty of the state department. The information for all of the state will be published at an early date in book form by the State Teachers' Association.

Miss Margaret L. James, head of the voice department of the Oklahoma Baptist University, presented the Ladies Glee Club, November 14, in the operetta, "The Japanese Girl." The operetta pleased the audience and was considered a success and of real merit credit to the Fine Arts Department of the University.

Miss James was a former music instructor in our S. T. C.

Mr. and Mrs. Glenn spent Thanksgiving day with Mr. Glenn's parents in Holton, Kansas. The records show that Mr. Glenn and his party killed twenty-five rabbits during the day.

Mr. and Mrs. Glenn were in St. Joseph on a business trip Saturday, November 29.

Miss Terhune spent Thanksgiving visiting friends in Sioux City, Iowa.

## STUDENT LIFE IN ENGLAND

Each Week Our Students May Read 'An Account of Foreign University Student Life As Told by the Yale News for American Student.'

The Green and White Courier has subscribed for the Wednesday edition of the Yale News. This paper is publishing an article each week about foreign colleges. These articles are for the purpose of informing American students of student life at the leading foreign universities. It is the hope of the paper to bring about a closer international understanding, by the knowledge of existing conditions and problems. This paper will be placed in the library for the use of the students. Two articles have been published; one of Oxford University, and one of Cambridge University. Other articles will be published on Universities in Scandinavia, Central Europe, Central and South America, and the Far East.

Oxford, the "Mother of Colleges," our Alma Mater, has been loved by the greatest poets, novelists, and historians. In the present generation American scholars have discovered the universities' merits. The first thing that impresses a student is the stateliness and picturesqueness of the buildings and campus.

A close relationship exists between the professors and students. The professors take part in sports with the students. Examination questions are made by a committee so "Pull" for a good grade cannot exist.

Oxford gives men a chance to grow, or to disintegrate, just as the student chooses. The student may or may not attend lectures and enter into all school activities.

All sports are entered into for the love of the game. The morning of a game a list of names are placed on the bulletin board. If for any reason a man does not wish to take part in a trial match he has received a high honor and there is no scratching of names then. Rowing is the "serious sport" at Oxford. You either row or don't row, and there is no scratching of names here.

Cambridge University is composed of eighteen men's colleges and two women's colleges. All of these buildings are of red brick. Unlike most colleges and buildings the "backs" of the buildings are the most attractive. The buildings are around a central court using the old conventional style of architecture. As you go through the last court you come out into the open and see the back of the college with well-kept lawns, flowers, and a meandering river, with trees in the background.

College life is a free, easy affair. The student may get as much or as little as he chooses. Only three rules are made.

1. Cpp and gown must be worn at lectures and after dusk.

2. No one must stay out of rooms or lodgings after midnight, unless by special leave.

3. Hall, or Dinner at 6:30 every evening must be attended.

Another difference between American colleges and Cambridge is the society life. There are no secret fraternities at Cambridge. The societies and clubs are open to everyone for the purpose of intellectual and friendly discussions.

Lou Mutz will entertain the members of the Senior Class at the Maryville Country Club, Friday, December 12. The program will consist of progressive games and dancing. Late leave has been granted to seniors who attend the party. Miss Winn and Miss McClanahan, the class sponsors, will be the chaperones. Miss Muts will be assisted by Anna Houston, Pearl Diley, Esther Fordyce, Lucille Corrin, Leslie Holcomb, Lloyd DeMoas, and Albert Hamilton, F. E. Cumminge, Gladys New, Blanche Erickson.

Miss Winn of the English department, will go to Plattsburg, Missouri, this afternoon, where she will address the Plattsburg chapter of the P. E. O. tomorrow, at the annual guest day meeting of the organization. She will speak on "Interesting State Affairs and Social Events of London." While she is in Plattsburg, Miss Winn will be a guest at the home of Mr. and Mrs. C. F. Ward.

Mr. and Mrs. E. W. Leamon entertained a number of friends at their home, Thanksgiving.

# THE GREEN AND WHITE COURIER

## COLLEGE OATH

"We will never bring disgrace to this College by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws, and do our best to incite a like respect and reverence in others. We will strive unceasingly to quicken the students' sense of duty. We will transmit this College to those who come after us greater, better, and more beautiful than it was transmitted to us."

## NEWS OF COLLEGE DEPARTMENTS

Students' attention is called to the fact that Dramatics 65A will be given this quarter at 8:20. Any student who wishes to teach dramatics or who at any time might wish to coach a high school dramatic production should take this course. There is no prerequisite; two and a half hours credit is allowed, but students desiring to take the course must enroll in it before December 12.

Arrangements can be made with Miss McClannahan for private lessons in dramatics. The fee for these private lessons is \$25.00. College credit is allowed.

It is now possible for students who have had one or two years of high school Latin to work off the foreign language requirement for the degree

ed by the courses, and the number of lessons to be given to each subject. The relative amount of time to be given to each phase of the work is also decided. The regular outline of the courses are used together with the courses worked out by the students to formulate the courses to be offered this quarter. "This does not mean," said Miss DeLuce, head of the art department, "that any part of the work will be slighter. The aim is to make the art courses of the college practical to the needs of the student. By this method we hope to offer the students course which will solve not only their teaching problems when they get out of college; but also courses which will help them in their daily life."

The course in costume design takes up a study of costume for the individual, historic costumes, costumes for plays and pageants, and costume detail. It is estimated that fifty per cent of the people engaged in the business world would be holding better positions if they knew how to dress intelligently for the individual and the job.

Students interested in practical handwork courses will find the industrial arts courses being offered by Miss Fisher of value to them. Materials that can be obtained in any rural or grade school, many times with no expense to pupils or teachers. At present there is on display in room 106

an interesting exhibit of free hand cutting and house building and furnishing for the elementary work.

## ALUMNI NOTES.

Jessie Mutz, B. S. 1918, is teaching home economics in the Belmont High School in Los Angeles, California.

Chloe Compton, 1915, is teaching

primary work in the Omaha, Nebraska schools. She is also taking work in the University of Omaha.

Four members of the class of 1924, who received their B. S. degrees, are now enrolled in the college completing work for their A. B. They are Nellie Halasey, Leo Halasey, Mrs. William Larson and Birdie Bessinger.

rolled and expects to complete work for her A. B. degree.

Mrs. Dora Etchison, B. S. 1918, is teaching mathematics in the Senior High School in Los Angeles, California. Mrs. Etchison was formerly Superintendent of Schools at Tina and Guilford. Later she taught mathematics at the University of Southern California, Los Angeles, from which institution she received her M. A. degree in June 1924.

ics in the Custer City, Oklahoma High School. Since completing her work here she has taken work at Phillips University, Enid, Oklahoma, and at the University of Southern California, Los Angeles, from which institution she received her M. A. degree in June 1924.

DR. O. L. CLOUGH

Instructor in physical education at University of Missouri, Columbia, who will come to Maryville January 1, 1925, to be professor in physical education at the Northwest Missouri State Teachers College.

by continuing their Latin course in college without the former difficulty caused by the lapse of time intervening between the high school course and the college course. Mr. Hawkins is offering a bridging course this quarter which is a review course to prepare the student for the college Latin work.

Student participation in planning the courses in costume design and design in art industries is a new feature in the art department of the college this quarter. By this method the members of the classes are given an opportunity to state what they expect the courses to give them; and what they desire to gain from the courses. The classes then work out the relative importance of each subject to be covered.

## Particular Students

Have their barber work done at our shop. We cater to the College girls with courteous service of expert workmen. We appreciate our splendid business of the College boys.

### The Sun's to Blame

JUNE                      DECEMBER

IS YOUR LIGHT BILL LARGER this month? If so, register a complaint against the sun, for the chances are it's his fault. The sun is going south for the winter. As he travels, the days get shorter and the hours of darkness increase. December 21, when he reaches his southern goal, will have nearly 7 hours less of sunlight than June 21. This means that you must burn your electric lights longer each day in winter.

Glance at the charts above and compare December's sunlight with that of June. If your light bill is larger this month, remember that Old Sol is responsible. He's not working full time these days.

**Maryville Electric Light & Power Co.**

## BELIEVE IN THE MAN WHO BELIEVES IN HIMSELF

We think we are better equipped to do your shoe work and more careful in doing it than any one in this section of the state.

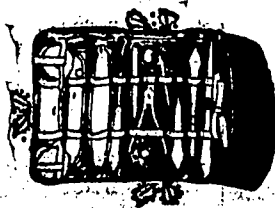

## Joe A. Kramer

At Montgomery Shoe Co.

We Have the Machinery

CANDY is as much a part of this festive holiday as the Yuletide tree, the candles or the wreath. And here is a Store that is all set for the holiday season.

A MANICURE SET—Chosen from one of the many attractive sets we have just received, means a Gift that will be used and appreciated each day of the year.

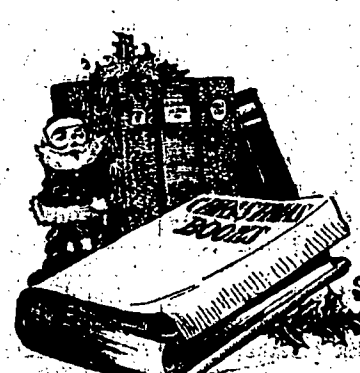

It's almost here. And many friends will expect a Card from you to wish them a Merry Christmas Day bright and good. Your Christmas Wishes.

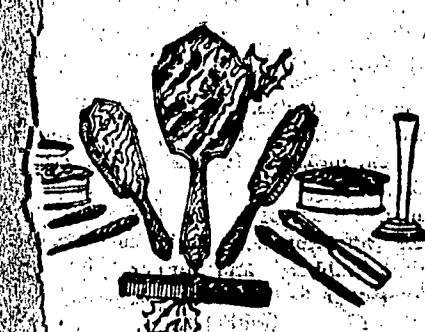

There are a few gifts at moderate prices that produce the satisfaction and gratification of Leather Goods. Yes, we're stocked especially for the holiday season—and we welcome a visit here.

You can't go wrong in your Christmas gift selection if you "say it with Stationery." Grades of highest quality are always to be found in our Stationery Department. Come early.

Just what someone wants. You'll show your good judgment if you'll make your selection from our Book Department—complete in every way. Come in today.

A PIECE TO HER SET. Every woman has one or two pieces of Ivory and is anxious to complete her set, so selecting articles from this display of complete pieces is a sensible way to complete your Christmas gifts.

# GRAHAM'S

Dept. Store "All Sorts of Things"

Don't fail when looking around to look over our immense line of all sorts of Christmas Gifts at the lowest prices

Own a "Hamilton" on an INGER-SOLL income!

That's the democratic way of putting our proposition to you.

A dollar or two weekly will pay for a fine new "Hamilton" Watch—the Watch of the Rolls-Royce class—the Watch all men aspire to own.

Years to wear and enjoy while you are completing the little weekly or monthly payments, after you have made a small down-payment in cash.

Sold at regular cash prices under the popular CLUB PLAN—Extended Charge Accounts.

St. Louis, Illinois and other famous makes—Some as low as \$12.75.

## Northwest Missouri High School Notes

### HIGH SCHOOL TOURNAMENTS.

The High School Tournaments for the five districts are to be held not later than March 12, 13 and 14. The final championship game between the winners of the district contests is to be played at Springfield March 20 and 21.

The Green and White is receiving copies of high school papers from three other states as a result of its wide circulation. The states represented are Colorado, Alabama and Illinois. The Ranger edited by the senior class of the Crested Butte, Colorado, High School and The Nonac, published by the students of the Canon City, Colorado High School, have sent copies of their papers to the Courier. The Nonac has requested that a copy of the Green and White be exchanged for it.

Mr. R. F. Wood, summer teacher at S. T. C. 1922 and principal of the Bessemer, Alabama, High School, has been exchanging copies of The Hub for the Green and White. The Hub is published by the high school students at Bessemer.

The Booster Club of the University of Colorado held its fourth annual conference for editors of high school papers, November 20-22. This conference was for members of the Rocky Mountain Interscholastic Press. Some of the leading men and women in the journalistic circle gave addresses.

### GILMAN CITY.

The Gilman City High School enjoys the distinction of being the only school in Harrison County whose teams won two trophies in the recent boys' and girls' basketball tournament held at Bethany. The boys won first place in Class B, and the girls won second place in Class A.

### BETHANY.

Bethany closed their gridiron season Thanksgiving day with a victory over Ridgeway by a score of 18-0. Bethany won two games only this season. She made a total of 31 points, and her opponents a total of 57 points. Practically all of the men this season were new material. Leston Webb, B. S. 1924, is the coach at Bethany. The squad broke training with a vengeance when they returned home and were guests to a banquet dinner given by Coach Webb.

The boys' basketball team of Bethany have begun their training and were to play their first game at Lani, Friday December 5.

### BLYTHEDALE.

The new modern school building at Blythedale, Mo., was dedicated Friday November 21. A program was given in the auditorium by the school and talks were made by Superintendent Patrick of Bethany, members of the board of education, and some of the patrons. A basket dinner was served in the home economics department. About 300 visitors were present. O. R. Hunt is the superintendent.

### SAVANNAH.

Savannah High School team defeated the Troy Kansas squad by a score 19-0, Thanksgiving day. Three hundred spectators witnessed the game, one of the most spectacular of the season.

### WESTBORO.

The P. T. A. of Westboro have arranged for a municipal Christmas tree to be placed on Main Street during the holidays. Every child will receive a gift from the hands of a real Santa Claus.

The patrons of Westboro school are justly proud of their newly equipped playgrounds for four special reasons. The first is because of its value to the children; second, because it beautifies the school grounds; third, because the P. T. A. helped to make it possible; fourth, because it is the best equipped playground in the county or those surrounding it.

A football gridiron, tennis courts, swings, teeter-tottles, slides and a giant slide are on the playground. Plenty of room is left for games.

### FAIRFAX.

The Fairfax High School football team finished their grid season Thanksgiving, by winning from Tarkio 12 to 0. Fairfax won 10 consecutive games, tied one, and lost one, their first one. They were scored on twice and netted a total score of 247 to their opponents 13. The business men of Fairfax gave a dinner Thanksgiving evening in honor of the Fairfax gridsters and their coach, Lloyd Waller, a former S. T. C. student.

### ROCKPORT.

The Older Boys and Girls Conference of Atchison County was held in Rock Port November 28-30. Some of the sessions of the Conference were held in the High School building.

The Rockport High School faculty is composed of the following teachers: H. W. Leech, superintendent; Kitty Moss, principal; Lucile Brumbaugh, English and Latin; Reed Smock, commerce; Emma Boundy, teacher training; William Sunderwitch, mathematics and science, and Earl Saladen, history and social problems.

**CHRISTMAS GIFTS**—Hand made embroidery luncheon sets, pillow cases, handkerchiefs for men and women. Imported perfumes and powders, necklaces, corsage bouquets, E. Ashford & Co.

## OPEN FORUM

The student body is justly proud of their 1924 gridiron machine, which tied with the Kirksville Teachers for the Championship of the M. I. A. A. This is the first time in the history of the school that we can boast of such a record, but our "Little" college is growing by leaps and bounds, both scholastically and athletically, so we are to be feared by our rivals.

Springfield and her sister, Warrensburg, used to journey into the Bearcat lair to engage our eleven in what they considered a practice duel. But this is not the case any more. The

Maryville pedagogs are considered and feared by all invaders.

When "Shorty" and "Pete" took their proteges to Springfield the Bears were keyed to do battle with the team from the "Northwest." One of the Springfield men was talking to "Red" Graham after the game, saying that they considered Maryville to be the hardest team they would have to play. I guess "Red" had declared to his teammates before the game that he had been to Springfield several times only to lose, but he was not going back anymore the loser. He didn't. The score was 3-0. This is the kind of spirit that will win future gridiron frays at S. T. C.

The inflated oxpl has been laid

away until next fall, when it will again be taken from the shelf to resume its activities toward a drive for the 1925 championship.

By—A Senior who is an ardent fan, and who will keep in close touch with the Bearcats next season.

### PHILOMATHEAN NOTES.

As the feature of their initial program for the winter quarter the Philo's staged a debate between members of the society on the question: "Resolved: That Capital Punishment should be Abolished." Although the debate was hotly contested by the affirmative, the decision of the audience favored the negative. Those debating were:

Affirmative.  
Orpha Stewart.  
Lorrie Hartley.  
David Nicholson.

### Negative.

Wilson Craig.  
Jolen Nall.  
Melvin Rogers.

Following the debate several new members were signed up and the quarterly election of officers was held. Those elected were:

Vice President, Mrs. Ernest Daniels.  
Secretary, Julia Hankins.  
Treasurer, Guy Canady.  
Plantist, Florine Pollard.  
Sergeant at Arms, Russell Hamilton.  
Green and White Representative, Doy Carr.

David Nicholson was elected President at the close of the Fall quarter. The Philos are planning to organize an orchestra in the near future.

### EUREKAN NOTES.

A Musical program given at the Eurekan meeting last Thursday afternoon, was largely attended by visitors and society members.

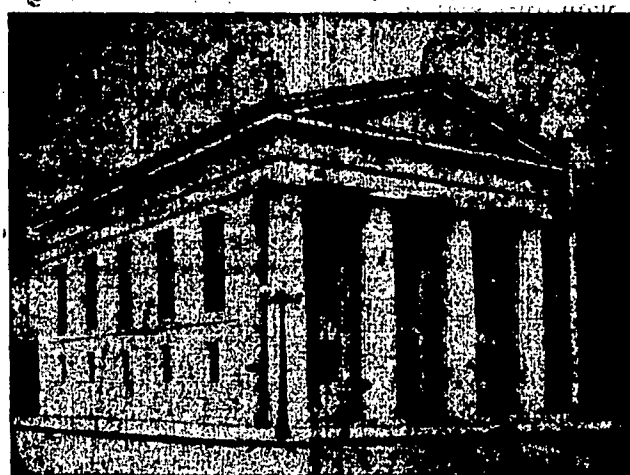

## Young Man, Young Woman --Think This Over

Suppose someone should say to you tonight: "I want you to become a partner in my business the first of the month. If you will put \$1,000 in the firm as evidence of good faith, the partnership."

Would you be in a position to accept? Could you show a savings account that would permit such a move? If not, turn your attention at once to some systematic plan of saving.

Hundreds of young men and women have gone upwards to success simply because they were ready when just such a call came. They had money as well as ability.

Ability is a mighty valuable asset, but "many a genius has starved in a garret." Start a savings account today in the Farmers Trust Company and you will be on the road to independence.

## Farmers Trust Co.

"Maryville" Bank of Personal Service."

## Get Her Present Now

Don't wait until the Christmas rush, when the stores are crowded and stocks picked over. Avoid the jam, rush and confusion. Select now the most appropriate gift—one that is sure to delight her. A BEAUTIFUL GIFT BOX OF

*Humming Bird*  
PURE SILK HOSIERY

It's so easy, and so satisfactory—Just sign your name to the gift cards which come in each box, and tell us the names and addresses. We will mail them for you on the dates you say.

Our price for these splendid gifts is only \$1.50 per pair

(We pay the Parcel Post)

Place Your Order Now!

**Bee Hive Shoe Store**

"Home of Good Shoes"

The program was:  
Piano solo—"Butterfly" by Gertrude Belt.

Vocal solo—"Maiden's Wish" by Christine Goff accompanied by Gertrude Belt.

Violin solo—"At Dawning," by Laura Margaret Raines, accompanied by Alyce Allen. A short session then followed concerning plans for the annual spring contests.

The new officers for the quarter are: President, Essie Ward; Vice President, Vesta Wright; Secretary, Helen Qualls; Treasurer, Dick Baker; Sergeant at Arms, Ned Colbert.

Plans are being made for a feature Christmas program December 18. An attractive program will be given at the meeting this Thursday also. The society extends a welcome to all visitors to these meetings.

city extends a welcome to all visitors to these meetings.

### EXCELSIOR NOTES.

At their regular meeting last Thursday, the Excelsior elected the following officers for the winter quarter:

President, Leslie Holcomb; Vice President, Stephen Williams; Secretary-Treasurer, Matt Piche; Tell Leader, Leo Halsey.

A twelve minute debate on the question, "Resolved: That Capital Punishment Should be Abolished in the State of Missouri," was decided in favor of the affirmative.

**CHRISTMAS GIFTS**—Hand painted china, work of Mrs. Splend, on display at E. Ashford.

## REMUS Merc. Co.

## Gift Suggestions

In order to enjoy greater pleasure and satisfaction in your gift-buying, be sure to start your shopping early when you can get better service, better selection, less crowding and more time for choosing.

### SLIPPERS THE GIFT OF COMFORT

When it comes to making practical and useful gifts don't overlook slippers.

### NEW GLOVES FOR CHRISTMAS GIVING

Gloves are indeed an exceptionally desirable article for gift giving and with such a selection of the smartest effects to choose from here, you can be assured of their correctness and good wearing quality.

### A SILK UMBRELLA

A good umbrella will surely please either man or woman because of its years around usefulness. Many handsome handle styles are shown in the new assortments.

### SMART NEW HANDBAGS

These very newest and smartest styles in leather or silk creations offer the solution to many a gift problem.

### HANDKERCHIEFS

#### Continue in Popularity for Gift Giving

Because handkerchiefs are always useful, they are always welcome. This year our handkerchief section is more interesting than ever with fine assortment in dainty boxes—embroidered, colored borders—Maderia Initialed—Cottons, Linens and Swiss.

### FINE SILK HOSIERY

#### For Gift Giving

It has been said "when in doubt, give hosiery"—the gift that is always welcome—always useful no matter how many are given or received. Our assortment is very complete.

### BOX STATIONERY

Makes a practical and acceptable gift.

## H. L. RAINES OPTOMETRIST

Call on us for any form of defective vision.

RAINES AND CHAVES

### DON'T

Neglect your eyes. Your studies are important, but your eyes are more important. If they trouble you in any way have them examined and tested. If you don't need glasses we will gladly tell you.

Our Mr. Will is an expert optometrist. Come in and see him.

KUCHS BROS.

## Pearl M. Keiflein Millinery at Remus

### A USEFUL CHRISTMAS GIFT

I think it quite as important to have a new looking hat for Christmas as to have one for Easter. So take a hint from me before your round of holiday social activity starts and buy a new CHRISTMAS BONNET.

Exclusive but not expensive.

## Who Is Your Banker?

This is a question that frequently arises among successful men and women. Most successful persons point with satisfaction to the advantage of a business association with a strong and reliable bank.

All the College students know the bank "with the yellow cheeks"—the bank that took their \$12.50 incidental College fee.

This bank stands ready at all times to be of service to the College students.

## Real Estate Bank

P.S.—BOOST FOR THE COLLEGE.

# The Stroller

By ????

The Stroller strolled and strolled and strolled some more during the Thanksgiving vacation and was glad to get on the trail again December 2—especially when he heard all the excitement which had been running about.

The Stroller's greatest surprise came when he learned that the manual training department had employed another very proficient assistant, Mrs. Ernest Daniels, formerly Miss Mildred Kiser. It is understood, however, that this change was made in compliance with President Lamkin's wishes, as expressed in his Bible text last Wednesday at assembly—"And now abideth faith, hope, love; and the greatest of these is love."

Since the Stroller has become interested in the romances and marriages of the college students, he began reading up on the subject. He found that if students marry at Baylor College, the couple is forced by a heartless faculty decree (not degree) to spend a year's honeymoon outside the college.

At Wellesley things are managed quite differently. The college gives a course in love and marriage in which the lovelorn or heartbroken student may receive first-aid on the campus.

The dean of the School of Arts and Sciences at the University of Texas is of the opinion that the decree forbidding marriage between students while they are still undergraduates is "illegal." The Stroller feels it would be well for the faculty to offer some course for these lovers this winter quarter.

The Stroller heard a good joke a few days ago. Here it is:

Prof: "Certain students have not been present at the weekly quizzes, Dave, you were not here on the 17th—any excuse?"

Dave: "Yes, sir—I was absent." Sometime ago, Mr. Wallin asked Tubby Cook to give his ideas of wealth. "Thirty dollars," he immediately replied.

The Stroller found the following suggestions for Christmas cards in a magazine a few days ago and he wishes to pass them on to the student body. Card to Be Sent To The Professor Who Flunked One.

You flunked me, Sir But I bear no spleen So here are greetings From William Green.

(Note: If your name is not William Green, it would be advisable to change the above slightly.)

Card For The Room-mate Who Owes One Money.

If you'd paid that ten bucks You low-lived peasant I might have been able To send you a present.

Card For The Girl Who Broke a Date.

You cut me dead You naughty grief Much Yuletide joy You big stiff.

The Stroller was very busy examination week. He found out all the "snap" courses that would be offered during the winter term, and also all the hard ones that he must try to escape. He was particularly impressed by the following remark: "Well, thank goodness, History of Ed. is over. I have dreaded that course ever since I was a senior in high school."

The Stroller has at last signed up for a course that will allow him ample time for his profession, so fellow students and faculty members, beware!

The Stroller has gathered data on the answers of college Freshmen, Sophomores, Juniors and Seniors and has discovered that 99 times out of every 16 the answers are like this:

Freshman: "I don't know." Sophomore: "I do not remember." Junior: "I am not prepared." Senior: "I don't believe I can add anything to what has been said."

Night 7:30—9:00. **ELECTRIC THEATRE** Admission 10c & 30c
